COACHES' PROFILESPAUL ARSENAULTCOACH

Second season as Warrior coach after eight highly successful seasons at Sir George. One of the winningest college hockey coaches in Canada. His overall record is 161 wins, 86 losses and 18 ties. His nine teams have captured 6 league titles and he was named college hockey coach of the year in 1972. Last season he was named to coach the Quebec College All Stars against the Quebec Junior All Stars. A game in which the college team lost by one goal. But, nevertheless they did a great deal to promote the image of college hockey in Quebec by outplaying the Junior All Stars.

A Prince Edward Island native, he is a graduate in Physical Education from the University of New Brunswick and received his Masters in Science from the University of Oregon. He is married with one child and resides in Pointe Claire, Quebec. He also teaches in the Loyola Bio-Physical Education program.
